

The **Versa VIP Program** is the exclusive customer community for loyal users who share their enthusiasm for Versa solutions and services. It is the foundation of the Versa reference program and an avenue to facilitate networking among Versa customers via virtual and in-person events.

As a member of the Versa VIP Program, you can:

- **Connect with a powerful peer network** to exchange insights, share best practices, and explore solutions to common networking and security challenges through moderated discussion forums.
- **Access exclusive member-only content and events**, including expert-led sessions, roadmap previews, and tailored resources designed to keep you ahead.
- **Elevate your organization's profile** by showcasing success stories, thought leadership, and innovation through curated social sharing, speaking engagements, media features, and award nominations.
- **Engage in meaningful reference opportunities** to gain fresh perspectives and share impactful insights from 1:1 conversations, executive roundtables, featured case studies to industry conferences.

Visit versa-networks.com/customers and use the Versa VIP form to become a member. The online application takes only minutes to complete.

If you have any questions, please email the Versa team at customers@versa-networks.com and we will be happy to assist you.
