Beyond Connectivity: How Swisscom is Redefining Business Resiliency in the Age of Digital Sovereignty

Connect. Secure. Simplify.

Egon Steinkasserer, CTO – B2B, Swisscom

Kelly Ahuja, CEO, Versa

Meet Our Guest: Egon Steinkasserer

- **Chief Technology Officer B2B** leads the technology agenda for Switzerland's largest telecom serving enterprise customers across the country.
- **More than a decade at Swisscom** in successful leadership roles.
- **Deep technical foundation** across ERP, CRM, Big Data, AI, Cloud, SDN/NFV, and systems management.
- **Computer Science graduate of Saarland University in Germany**, born in South Tyrol, Italy, and now based in Zurich.
- **Driving force behind beem, Swisscom's plug-and-play unified networking and security solution** built on Versa, and a vocal advocate for Sovereign SASE as a strategic priority for enterprises navigating Europe's compliance and threat landscape.
